to her unfortunate escort; the former squeals and digs her elbows into a fellow's ribs, or pounds his knee, black and blue when showing her enthusiastic appreciation of the fine points of the game; she will even shriek, "Go on Harry!" and argue, with one over rules, a sensitive fellow can't stand it, she keeps him on pins and needles about her audibly spoken views on the ref's decision on off side. She knows the comp. tables to such a degree of accuracy that she makes one giddy; she could show the selectors points in picking rep. teams.

She spills a five bob box of chocolates all over the grandstand, will draw the wrath of the man in front by stabbing him in the backbone with her umbrella, or wiping her shoes over his best suit, and will exclaim, "Oh, George, where's my bag!" and a fellow will miss a good stunt grovelling on the floor for her gloves, her bag, her handkerchief; her powder-puff, her fur, all of which she sheds in applauding. She will talk about it all the way home in the tram, and remembers everything that happened at the match, and the match before that, and the one before that. Oh, she loves football matches—that's Gwendoline.

Then there's there other class, Josephine—she doesn't know a goal post from a corner flag. She is aloof "above football," not even the great Cartwright or the superb Henderson are able to make her blink an eyelash. She has watched Tommy Thompson in a glorious sprint put in a perfect centre, thereby causing the winning goal to be scored, amid the thunderous, clapping and roaring of the delighted multitude, and when asked what she thought of it she murmured, "Isn't he nice looking!" She will pick out the most useless idiot as the best player, because she likes the shape of his legs or the way he brushes his hair and has nothing but cold contempt for the excited barracker. Gwendoline she considers is a mere person. If she claps it is for the side with the prettiest jerseys, or the best looking captain. She's hopeless! impossible! they're both impossible! In future I'm going alone to the matches; a fellow gets tired of the girls.

Mr. Degenhart points out that such claims are extravagant and foolish, and reminds Kewpies that the game is not over until it is won.

Dear Sir,—

Our club is desirous of playing a challenge match in Sydney, say in about three week's time, and we would be glad if you could put us on the track of a team that would care to meet us.

We are a Fourth Grade team, and are running about third in the local competition, but I understand that there is no Fourth Grade team in Sydney, so we would have to play Third Grade. I estimate about 15 would be going to Sydney, and we are all about 19 years old.

We do not expect any expensive entertainments; all we ask is a good game of football.

As is already known, Mr. Adam, the manager of the Canadians, has issued a challenge to the New South Wales team which defeated them so decisively 5—2 in the third match of the tour; no other combination has been successful in scoring a like number of goals against the visitors, and, as it was fully expected on all sides that the Canadians would be the victors, it was no doubt a big jolt to them, as well as a surprise to everyone. The only other defeat inflicted upon them was in the first Test match by a team comprising representatives from both Queensland and New South Wales, all other games have been either Canadian victories or draws. Apparently Mr. Adam and his stalwarts are not contented to permit a 5—2 result to go unchallenged, they are eager to prove that it is not a true reflex of their prowess; this shows a very pleasing keenness which in touring teams sometimes wanes a little when the first few games have been fought out, the itinerary being carried out with less zest than at the beginning of the tour.

The New South Wales side is equally willing to pit itself once more against the Canadians, and, providing that a match can be staged without undue interference with existing arrangements and fixtures, it should be one of the most interesting of the tour.

F.A. AND OFF-SIDE.

Mr. J. C. Clegg presided over a meeting of the Council of the Football Association yesterday, when the Finance Committee reported that the official attendance at the English v Scotland match at Wembley on Saturday, April 12th, was 37,250.

These figures are surprising in view of the fact that on the day of the game it was officially intimated to the press that 65,000 paid for admission.

On the question of proposed alterations in the laws of the game, to be submitted to the annual meeting of the international Board on June 14th, the proposal by the Scottish F.A. that lines be marked 40 yards from each goal line across the field of play was not approved, nor was the suggested alteration in Law 6 with regard to a player being off-side when not within his opponents' 40 yards area. The alternative proposal that two instead of three opponents should be between a player and his own goal line was not approved. The other proposals of the Scottish F.A. were not approved, and in regard to that in Law 13, whereby it was proposed that the game shall not be stopped for an injury to a

TWO GARDINER CUP
FIXTURES AT TRAMWAY.

Weston and New Lambton Play
Another Draw.

By Full-Back.

Before a good attendance New Lambton and Weston met in the re-played Gardiner Cup fixture. Jack Avis, Weston's skipper, beat Sibley with the coin, and New Lambton kicked off. Play was at once taken to Weston's goal, and Austin was called upon to save, first from McAllister, and then from Sibley. Play was then transferred to the other end, and McCroary beating Sibley was making for goal, when the referee blew for an infringement. From the kick out, Stewart secured, and sent in a high centre. Oliver intercepted, and sent to Gilmour, to Tate; Morgan cleared. Oughton secured, and shot; Austin fisted clear. Midfield play followed, and interval arrived without any scores. On resuming Weston at once attacked, and from one of these attacks a free was awarded Weston 20 yards out. Gilmour took the kick, and put in a good low shot, which was partially cleared. Matthewson sent back into goal, and Wigham shot, the ball entering the net. McCroary, however, was off-side, and the goal was disallowed. Weston were now having the better of the game, but could not finish in front of goal. Oughton, who was a failure at centre-forward, went back, and Spruce came up, but no scores were registered, and the game ended a scoreless draw.

For Weston Austin again was the saviour of his side. His displays of goalkeeping this season stamps him as one of the best. Tony Oliver played safe. Farrey also played hard, but was weak in his clearances. Of the half-backs, Avis was the best, although all three played a fair game.

the opposing forwards. Morgan broke up the attacks repeatedly. Spruce is not a full-back, and The "Podge" Oughton on the backs. Rocks will do well to keep He is not a forward. Sibley was the best half-back, and McAllister was easily the best forward.

The match will be re-played at Cessnock on Saturday. Mr. Nicholson was an efficient referee.

KURRI DEFEAT MAYFIELD.

Kurri enter round No. 3 of the State Cup, having added K.O. to Mayfield. Mayfield scored first, Woolley doing the needful. The lead was short lived, Foley equalising with a good shot. The same player scored twice in short time. From a free kick outside the penalty area, Oaten netted for Mayfield. Half-time scores were 3 to 2 in favor of Kurri.

In the second half, McCrae, Bower and Phillips scored for Kurri. The final scores were—Kurri 6, Mayfield 2.

ADAMSTOWN DEFEAT CESSNOCK.

On a wet ground Adamstown gained two points from Cessnock. Alex Cameron scored the only goal of the first half for the Buds. In the second half "Massa" Russell netted for the home team, and the Buds succeeded in keeping the Nocks out.

Cessnock were without their goal-getter, Cec. Williams, who was in Sydney as reserve for Australia, and the alteration of their front line perhaps had something to do with their defeat. For Adamstown, Peter Doyle played one of his best games.

WALLSEND DEFEAT WESTY.

Wallsend and West Wallsend met at Wallsend before a record crowd, and the "Blues" suffered defeat by the "Buds" one to nil.

The South Coast team to meet the Canadians at Wollongong today is as follows:—

Goal: J. BOYLE.

Backs: R. HUNTER and H. STEWART.

Halves: W. JOHNSTON, H. MORGAN, and A. DRUERY.

Forwards: S. DAWES, T. GREEN, J. MASTERS, D. WARD, and T. THOMPSON.

F.A. AND OFF-SIDE.

Mr. J. C. Clegg presided over a meeting of the Council of the Football Association yesterday, when the Finance Committee reported that the official attendance at the English v Scotland match at Wembley on Saturday, April 12th, was 37,250.

These figures are surprising in view of the fact that on the day of the game it was officially intimated to the press that 65,000 paid for admission.

On the question of proposed alterations in the laws of the game, to be submitted to the annual meeting of the international Board on June 14th, the proposal by the Scottish F.A. that lines be marked 40 yards from each goal line across the field of play was not approved, nor was the suggested alteration in Law 6 with regard to a player being off-side when not within his opponents' 40 yards area. The alternative proposal that two instead of three opponents should be between a player and his own goal line was not approved. The other proposals of the Scottish F.A. were not approved, and in regard to that in Law 13, whereby it was proposed that the game shall not be stopped for an injury to a player until the ball has ceased to be in play the Council took the view that the Scottish proposal in this form was not desirable, but that the method should be discussed at the International Board with a view to an agreement being reached.

Weston and New Lambton Play Another Draw.

By Full-Back.

Before a good attendance New Lambton and Weston met in the re-played Gardiner Cup fixture. Jack Avis, Weston's skipper, beat Sibley with the coin, and New Lambton kicked off. Play was at once taken to Weston's goal, and Austin was called upon to save, first from McAllister, and then from Sibley. Play was then transferred to the other end, and McCroary beating Sibley was making for goal, when the referee blew for an infringement. From the kick out, Stewart secured, and sent in a high centre. Oliver intercepted, and sent to Gilmour, to Tate; Morgan cleared, Oughton secured, and shot; Austin listed clear. Midfield play followed, and interval arrived without any scores. On resuming Weston at once attacked, and from one of these attacks a free was awarded Weston 20 yards out. Gilmour took the kick, and put in a good low shot, which was partially cleared. Matthewson sent back into goal, and Wigham shot, the ball entering the net. McCroary, however, was off-side, and the goal was disallowed. Weston were now having the better of the game, but could not finish in front of goal. Oughton, who was a failure at centre-forward, went back, and Spruce came up, but no scores were registered, and the game ended a scoreless draw.

For Weston Austin again was the saviour of his side. His displays of goalkeeping this season stamps him as one of the best. Tony Oliver played safe. Farrey also played hard, but was weak in his clearances. Of the half-backs, Avis was the best, although all three played a fair game.

The forwards were weak in front of goals, and did not combine well.

For New Lambton, big Bill Hetherington had little to do, thanks to the erratic shooting of

Spruce is not a full-back, and the "Podge" Oughton on the backs. Rocks will do well to keep He is not a forward. Sibley was the best half-back, and McAllister was easily the best forward.

The match will be re-played at Cessnock on Saturday. Mr. Nicholson was an efficient referee.

KURRI DEFEAT MAYFIELD.

Kurri enter round No. 3 of the State Cup, having added K.O. to Mayfield. Mayfield scored first, Woolley doing the needful. The lead was short lived, Foley equalising with a good shot. The same player scored twice in short time. From a free kick outside the penalty area, Oaten netted for Mayfield. Half-time scores were 3 to 2 in favor of Kurri.

In the second half, McCrae, Bower and Phillips scored for Kurri. The final scores were—Kurri 6, Mayfield 2.

ADAMSTOWN DEFEAT CESSNOCK.

On a wet ground Adamstown gained two points from Cessnock. Alex Cameron scored the only goal of the first half for the Buds. In the second half "Massa" Russell netted for the home team, and the Buds succeeded in keeping the Nocks out.

Cessnock were without their goal-getter, Cec. Williams, who was in Sydney as reserve for Australia, and the alteration of their front line perhaps had something to do with their defeat. For Adamstown, Peter Doyle played one of his best games.

WALLSEND DEFEAT WESTY.

Wallsend and West Wallsend met at Wallsend before a record crowd, and the "Blues" suffered defeat by the "Reds" one to nil. The first half was scoreless, although West Wallsend should have scored at least a couple of times, but bad judgment in shooting was their downfall. Times out of number Ross and Sinclair

inside right for Wallsend, showed bad judgment in taking the field as he only lasted about 5 minutes before having to retire with his injured leg from the Cessnock game. Druery took his place.

Shortly after the interval, H. Muir, Westy's full back, hesitated with the ball, and then tried to beat Wells, but was caught napping, and allowed Craig to get the only score of the atch. Sinclair missed some fine chances to draw level, but got under the ball too uch. R. Irwin was the best player on the winner's side. His work at centre half was brilliant, and it is very hard on him that there were no selectors present, as they could hardly have left him out of the team to play Queensland.

Owen also played well, and kept McLauchlan well covered.

West Wallsend were not disgraced, as they had most of the play, but could not score goals. H. Maunder was very solid at full back, and never made a mistake. F. Coolahan, at right half, played a fine game. L. Brown was the best forward and combined well with Coates.

The team to play Queensland has not met with general satisfaction in the suburbs, as the inclusion of Peter Doyle at centre half meets with adverse criticism. Doyle has only filled this position since Lambert was injured, and in the game v West Wallsend was very weak in defence, and roamed too much. R. Irwin or C. Couits are easily superior in that posy. Gibson's inclusion would be O.K. if the player was available, but he had to retire in the Cessnock v Wallsend game, and again last Saturday v West Wallsend.

But in Phillips we have a very fine substitute.

WESTY DEFEAT KILLY IN LOCAL COMP.

West Wallsend local competition final took place at the weekend before a large attendance, the teams competing being Killingworth: R. Kaiser, H. James, W. Lee, J. Nott, C. James, A. Parkes, T. Turner, J. Lennox, G. Ross, E. Birmingham, T. Peattie. Woodpeckers: R. Wilson, H. Maunder, J. Proudlock, T. Lee, A. Potts, A. Hutchinson, J. Quinn, R.

Strang, W. Maunder, C. Donnelly, T. Linton. Woodpeckers had the best of the opening play, and were not long in scoring. W. Maunder getting a brilliant goal from a difficult angle. Killy made an attack, and were awarded a penalty kick for hands against Potts. G. Ross took the kick, and evened the score with a very hard shot.

These were the scores at half-time.

In the second half both teams tried hard for the lead, but met with sterling defence. Both sets of backs defended well. W. Maunder receiving at centre from T. Lee, sent out to Linton, back to Maunder, who took ahead and coming to H. James pushed passed him, and racing round him took ahead and beat Kaiser with a hard shot out of his reach. Woodpeckers 2, Killingworth 1.

These were the final scores, although Killingworth tried hard to equalise. H. James going into the forwards, but the "Peckers" defence held out.

Mr. J. Nicholson had charge of the game, and gave entire satisfaction, and is undoubtedly the best referee in the North, and perhaps the State.

ISLINGTON (Two Blues) v WEST WALLSEND

With a 3-2 defeat at Westy's hands still ranking in their minds, Two Blues took the field, determined to show Westy where the best footballers come from, and the coalfielders went home convinced that they don't come from West Wallsend.

Campbell opened Two Blues score with a dandy shot from the wing, and Islington led 1-0.

Two Blues increased their tally when Dave Wylie secured another, but Westy played desperately, and before half-time evened up matters a little, when Proudfoot netted a rebound. The half-way scores were—Islington 2, West Wallsend 1.

Westy never got a chance to equalise after the interval, although they were always dangerous, and for a short period looked like proving the better team, but Two Blues exerted themselves again and proved too fast for Westy.

Barry was over anxious, and after tricking Wallsend's back division and obtaining a clear goal, he made a poor shot from about 10 yards out, which was

The burning question in the B Division of Third Grade is, will St. Johns Glebe be able to stop Lakemba Gongs B to-day. Though

Secretary Scott complains that referees are even more dilatory in paying their subs. than are teams in paying their ground and referees' fees. If such is the case then they must indeed be bad. However, as they have all just received cheques of about £2 each, probably Mr. Scott will soon be having a busy time writing receipts. Members will be pleased to hear that Mr. H. L. Dove, who has been having a rather bad time in Kogarah Hospital is now on the high road to recovery.

The St. George Association have decided to conduct a round of

Association Cup.

So far the St. George Association have not done too bad in the Association Cup, having drawn with the Metropolis, and lost to Granville. On Monday, at 9.45, they will be opposed by Canterbury Association in the third round. The draw for the third round will be played on

get that it is necessary to send the result of their game to the Association within 48 hours of the match. It would also be of great interest if winning teams were to bring the "Sun" on a Saturday night.

Orchestra Wanted.

Tenders will be received until 5 p.m. at the Sports Club on Tuesday, 24th June, for an orchestra for the social and presentation of trophies in the L'hardt Dispensary Hall, on Thursday, 10th July. Tenders should state the number and kind of instruments and their prices from 7.45 p.m. till 11 p.m., and from 7.45 till 12 midnight.

Trophies.

Those teams that won at Wardell Road on 9th inst. should notify the Association as to the names of their players. Tickets for the function on 10th July (Gents 2/6, Ladies 1/6) are available at the Association meetings on Tuesday nights—or from Mr. S. Jones, of Croydon Congs., at the Sports Club, on Mondays and Fridays.

Acting Hon. Registrar.

Mr. S. Taylor, of Wetheril St., Leichhardt, has been elected by management to fulfil the above position. The appointment will be confirmed or otherwise by Council on 1st July. Mr. Taylor has been on the M.C. since 1922, and right nobly has he always done his duty. If some other members were as consistent in their attendance and interest the P.C.S.F.A. would be even further ahead than it is.

P.C.R.A.

Secretary Scott complains that referees are even more dilatory in paying their subs. than are teams in paying their ground and referees' fees. If such is the case then they must indeed be bad. However, as they have all just received cheques of about £2 each, probably Mr. Scott will soon be having a busy time writing receipts. Members will be pleased to hear that Mr. H. L. Dove, who has been having a rather bad time in Kogarah Hospital is now on the high road to recovery.

Arnccliffe is leading on points with Kogarah. Penshurst United and Rockdale are next. Rockdale appear to be the dark horse, having drawn with Kogarah, last season's premiers, and defeated Penshurst United.

Rockdale will meet Arnccliffe at headquarters to-morrow, and it should prove one of the best contests this season, and Jimmy Jones and company will have to put up a good exhibition to beat them. Both Arnccliffe and Rockdale are wonderfully improved teams.

The biggest attraction on the St. George Sports Ground on Monday morning will be a First Grade match, Pyrmont v St. George. outclassed, Canterbury defeating them by 8—1.

St. George and Metropolitan met in the first round, the latter being unlucky in having a drawn game, having had much the better of the play. One all was the score.

Ryde and Canterbury, both new associations, the former in their first year, met at Ryde Park, the home ground of the locals. Canterbury were surprised, having to return home defeated by the odd goal in five.

On June 9th, the holiday, Ryde journeyed to Primrose Park, to do battle against the Metrops, and one of the finest games seen on

the Park for some time was the result. Ryde were leading 2—0, with about 15 minutes to go, when the locals rallied, and drew even, the Metrops, thus playing their second draw.

Granville journeyed to St. George, and surprised everyone by their decisive win over the local combination, 4—0 being the result.

The third round will be played on Monday morning, the 23rd, when the old rivals, Metrop. and Granville, will try conclusions at Clyde Oval. Should the local eleven suffer defeat it will place the competition in a very interesting stage. The other fixtures are Ryde v Protestant Churches at Ryde, and St. George v Canterbury, at St. George.

The Competition Table reads as under:—

	Goals							
	P	W	L	D	F	A	Pt.	
Granville	2	2	—	—	14	—	4	
Ryde	2	1	—	1	5	4	3	
Canterbury	2	1	1	—	10	4	3	
Metropolitan	2	—	—	2	3	3	2	
St. George	2	—	1	1	1	5	1	
Prot. Churches	2	—	2	—	1	18	—	

In view of the approaching visit of a junior team to Queensland in August, these series of matches will be of great importance in enabling the pick of the players of the Metropolis to be brought under the eyes of the State Junior Selectors.

The State Junior Championship now being limited to players under 21 years, it is on the cards that next season the Board will control a "Metropolitan Championship" to be open to all teams affiliated to any Association who are members of the Junior Board of Control.

There may or may not be too many subsidiary competitions at present under the control of the various junior bodies, but one must admit that the greatest rivalry is always manifested in teams of various Associations striving to show which is supreme. This competition, if brought about, should receive the hearty support of junior officials and players.

BALMAIN v. CANADA.

Mr. Adam, manager of the Canadians, desires to play a Balmain team in consequence of the kindnesses his team has received from the Balmain Fernleigh team, and a match may take place on Wednesday, June 25th. Gladstones will probably combine with Fernleigh to field a district team, and the match will probably take place on Sydney Cricket Ground No. 1.

PYRMONT WINS APPEAL.

The appeal of Pymont against the decision of the Protest and Disqualification Committee, was upheld by Council at last Monday night's special meeting.

The question hinged on whether the referee and the opposing captain had given their consent to Pymont playing another man in place of "Jock" Maitland who was injured and had to leave the field. Council's decision means that a captain is deemed to have consented, if he does not object.

REFEREES TO PLAY.

The Newcastle Referees have challenged the Sydney Referees to a game. The latter body will probably accept, providing a convenient date can be arranged.

A RE-PLAY.

A re-play will take place between Balmain Gladstones and Gladesville. The latter won, it will be remembered, 4 goals to 3, but as the referee reported playing 5 minutes short owing to bad light the M.C. had no alternative but to order a re-play.

TO THE WEST SYDNEY CLUB.

The Gladesville Club desires to express their thanks for the loan of players' outfits on the occasion of their match with Balmain Gladstone, at Leichhardt, on Saturday, June 9th, when their own outfit had inadvertently gone astray.

WEST SYDNEY S.F. CLUB.

The Granville Association

When I had a mild sling off at my friend from the "Argus" in the "News" a couple of weeks back, I had little idea that it would lead to a mild warfare. Instead of Ern smiling it off he has evidently been badly hurt. I am ever grateful for the explanation of what constitutes journalistic theft. So far as making groundless charges is concerned, I made no charge; I simply said I was always of the opinion, etc. My par. was only an effort to say something funny, but as it has evidently been taken seriously, I apologise, and promise to be more careful in the future. My friend's reference to my sending all my copy to Sydney at the expense of the local papers is a misstatement of fact. I have not sent a line to any Sydney paper for many years. The other local papers, the "Times" and "Tribune," get all the copy they want. Moreover, the only local paper I have ever sent copy to is the "Argus." I am now reaping the reward in mud. As this little parley is not likely to lead to any good, I will not continue it further.

To get down to business, last week I forecasted that all Granville and the dog would be going to the Test. I was not far wrong. A big crowd certainly went down to the Agri. expecting to see some good Soccer. If our game is to keep going ahead I am afraid it will need a better ad. than it received last Saturday. My sympathies are with Mr. Allerton, who was undoubtedly a victim of circumstances. If our own players dealt it out sufficiently strong in Brisbane to warrant the Canadians going on to win in an orthodox way, it will be interesting to learn why some sort of action was not taken up there. If a feeling was known to exist, was Referee Allerton advised to act accordingly?

After a week's rest, we resume our competitions to-day. The chief attraction will be the meeting of Magpies and Gladesville at Clyde. As the Blues beat Magpies, and Gladesville beat the Blues, perhaps some school boy will be able to work out who

ville East. As both teams are playing at the top of their form the game should be a good one.

From to-day the charge for admission will be increased to one shilling.

This refers only to first division matches—the usual charge will be made for all local matches.

Entries closed on Monday last for the "Argus," "Cottam," and "Ainslie" Cup knock-out competitions.

Manager Allerton has a very fine team together to represent the Association in the match versus Metropolitan Juniors at the Show Ground on Monday morning. With a record of 14 goals to 0 to their credit, the locals should win.

A team from Harden under Manager Murphy has arranged to play Babcocks on Monday morning. It was hoped to arrange for the match to be played at the Show Ground on Monday morning as the country players are eager to see the Test. Otherwise the game will be played at Clyde about 10.30.

The Auburn Juniors intend travelling to Bowral on Monday morning. They have arranged a match with a team up there.

A very nice letter has been received from the Blackheath team complimenting Auburn United on their very fine conduct up there on King's Birthday. A return match has been arranged for later in the season.

Magpies held their second dance in the Town Hall on Monday night. The Canadians were present, and had a jolly time till 11 o'clock, when they left for the city. Billy Barber won the euchre prize, a pipe, which was presented by himself. He handed same back, and asked the Secretary to present it to Captain Harley.

Two Blues held a benefit dance in the Town Hall on Tuesday night in aid of Billy Mace, who has been in hospital for a long time. It is hoped that a good amount will be realised to hand to the popular boy.

Arrangements have been completed for the reception of the Queenslanders on Wednesday.

Canadians, desires to play the Balmain team in consequence of the kindnesses his team has received from the Balmain Fernleigh team, and a match may take place on Wednesday, June 25th. Gladstones will probably combine with Fernleigh to field a district team, and the match will probably take place on Sydney Cricket Ground No. 1.

PYRMONT WINS APPEAL.

The appeal of Pymont against the decision of the Protest and Disqualification Committee, was upheld by Council at last Monday night's special meeting.

The question hinged on whether the referee and the opposing captain had given their consent to Pymont playing another man in place of "Jock" Maitland who was injured and had to leave the field. Council's decision means that a captain is deemed to have consented, if he does not object.

REFEREES TO PLAY.

The Newcastle Referees have challenged the Sydney Referees to a game. The latter body will probably accept, providing a convenient date can be arranged.

A RE-PLAY.

A re-play will take place between Balmain Gladstones and Gladesville. The latter won, it will be remembered, 4 goals to 3, but as the referee reported playing 5 minutes short owing to bad light the M.C. had no alternative but to order a re-play.

TO THE WEST SYDNEY CLUB.

The Gladesville Club desires to express their thanks for the loan of players' outfits on the occasion of their match with Balmain Gladstone, at Leichhardt, on Saturday, June 9th, when their own outfit had inadvertently gone astray.

WEST SYDNEY S.F. CLUB.

An enjoyable evening was spent at the benefit in aid of Clem Hill, arranged by the West Sydney F.C. on June the 10th. Will all Club Secretaries who had tickets for some kindly settle with me at their earliest convenience.

When I had a mild sling off at my friend from the "Argus" in the "News" a couple of weeks back, I had little idea that it would lead to a mild warfare. Instead of Ern smiling it off he has evidently been badly hurt. I am ever grateful for the explanation of what constitutes journalistic theft. So far as making groundless charges is concerned, I made no charge; I simply said I was always of the opinion, etc. My par. was only an effort to say something funny, but as it has evidently been taken seriously, I apologise, and promise to be more careful in the future. My friend's reference to my sending all my copy to Sydney at the expense of the local papers is a misstatement of fact. I have not sent a line to any Sydney paper for many years. The other local papers, the "Times" and "Tribune," get all the copy they want. Moreover, the only local paper I have ever sent copy to is the "Argus." I am now reaping the reward in mud. As this little parley is not likely to lead to any good, I will not continue it further.

To get down to business, last week I forecasted that all Granville and the dog would be going to the Test. I was not far wrong. A big crowd certainly went down to the Agri. expecting to see some good Soccer. If our game is to keep going ahead I am afraid it will need a better ad. than it received last Saturday. My sympathies are with Mr. Allerton, who was undoubtedly a victim of circumstances. If our own players dealt it out sufficiently strong in Brisbane to warrant the Canadians going on to win in an unorthodox way, it will be interesting to learn why some sort of action was not taken up there. If a feeling was known to exist, was Referee Allerton advised to act accordingly?

After a week's rest, we resume our competitions to-day. The chief attraction will be the meeting of Magpies and Gladesville at Clyde. As the Blues beat Magpies, and Gladesville beat the Blues, perhaps some school boy will be able to work out who should win to-day. In spite of the proposition quoted, my tidily will be on the locals.

The early match will be between English Electric and Gran-

ville East. As both teams are playing at the top of their form the game should be a good one.

From to-day the charge for admission will be increased to one shilling.

This refers only to first division matches—the usual charge will be made for all local matches.

Entries closed on Monday last for the "Argus," "Cottam," and "Ainslie" Cup knock-out competitions.

Arrangements have been completed for the reception of the Queenslanders on Wednesday, 2nd July. The match versus Granville District is to be played at Clyde at 3.15, and will probably be preceded by a school match. The visitors are to be en-

tertained at the usual social evening will be held in the Town Hall.

LEICHHARDT'S TEAM.

The following will represent Leichhardt against Balmain Scottish at Ibrox Park to-day:—H. Thatcher, A. Presdee, M. Tait, R. Parr, J. Dodds (Capt.), J. Rae, E. Glanville or D. Gordon, W. Kerr, E. Russell or A. Edwards, T. Stacey, J. Adams.

RYDE ASSOCIATION.

The fifth series of matches were played on Saturday last with the following results:—A Grade: W. Ryde 4 v Ryde 1; Hornsby 7 v Roseville 2; Carlingford 4 v Gladesville 2; Concord Blue 3 v Concord Red 2. C Grade: Gladesville 1 v Ryde 0; Concord 2 v West Ryde 2; Drummoyne 2 v Hornsby 1.

West Ryde's victory over Ryde was expected, though it was not generally thought that they would win by such a margin. Ryde have nothing to be ashamed of, however; they put up a very creditable performance, and the score was hardly a fair reflex of the game.

Mick Davidson, goalie for Wests played great football, and simply revelled in the mud. Fisk, Wests centre, played well until forced to leave the field owing to an injury. He was replaced by "Om-eddy" King, who puts plenty of dash into his game.

The Ryde players were all giving their best, and it would be unfair to pick out any player for special praise. Mention must, however, be made of Sam Cox, who gave a grand exhibition between the sticks after Cronk retired.

Roseville are improving, and will need watching before the medals are finally awarded.

Gladesville are still well in the picture, and considering they are an under 18 team they did well to beat the redoubtable Farmers defence twice.

Congratulations 'Ville.

Greek met Greek at Concord. The Blues still wonder how they did it.

In the C Grade Gladesville just managed to put it over their much lighter opponents. Cheer up Ryde, you will get your revenge next time if the ground is dry.

Blue Swadling is a fine centre forward for Ryde C's; he should go a long way in the game, likewise "Squib" Moore. Squib lacks weight, but his brains are all right.

Concord notched its first point at West Ryde's expense. We presume that the cake, which Mrs. O'Driscoll offered for the first Concord boy to score, has gone west ere this.

Drummoyne continue to improve, and should prove a snag for the leaders next round.

is a son of Bert Moore, well known among the older followers of the game. He has found his way into a rep. team thus early in his career, and leaves shortly for Adelaide with the N.S.W. school boys.

SHOTS I HATE TO HANDLE.

By Sam Hardy, the International and Notts Forest Goalkeeper.

I suppose I must have spent well over one thousand hours "between the sticks" during my football career.

Remembering that a slip is always possible, and that a goal "given away" through a custodian allowing a simple effort to pass him counts just as surely as does an unstoppable "pile driver" sent in from a range of five yards, I might be excused for saying that I hate dealing with any kind of shot, and that I much prefer watching my own side bombard the fellow who is skipping about at the other end in his efforts to anticipate the direction from which the leather is coming to him.

Players Who Puzzle Me.

A goalkeeper, however, must be prepared to do his fair share of work, and there is an immense amount of personal satisfaction to be gained when you manage to foil the unkindly intentions of an opposing forward.

When you are in form the job of goalkeeping makes you think that this is not such a bad old world after all. But when forwards manage to pull out that extra bit against you, and you feel a certain loss of self-confidence in dealing with difficult shots, you begin to wish that the ground would open and swallow you up.

The forward of whom I am suspicious, and the one I am always

of a ball control—and let me tell you he is rather a "rare bird" on the football field these days.

I can generally expect to make some sort of show against a shot when I have an indication where it is being aimed, but the player who can control a ball properly right up to the moment of making his final effort gives the goalkeeper a very anxious time, because there is little chance of anticipating exactly when and where he is going to shoot.

When the day is windy, high, slow, dropping shots are difficult to deal with, for there is always the possibility that the ball may swerve at the last moment, and then you have to hustle to prevent a score being registered against you.

The goalkeeper who hopes to succeed must make a point of learning to work in a cramped space, for there are times when he will be badly crowded by friends and foes alike. Then, if he has the ball, a quick and agile twist will be necessary if he is not to be bundled into the net with the leather.

Kicking should be practised with the utmost care. Backs have plenty of work to do without taking goal kicks, and I think that it is up to the man between the posts to take on this particular job. Always try to send the ball far enough forward for your own attackers to gather it while on the run.

When you have a fast ground shot to deal with, do not be afraid of getting well down to it. And when you are in difficulties, do not be afraid of giving away a corner—for it is only about one corner kick in a dozen that produces a goal.

RANGERS F.C.

To the Editor.

Dear Sir,—

In the last two issues of the "Soccer News," the Scribe of the St. George Association has stated that West Sydney was the only team to take points away from St. George Club last season. Well, that is so, but it is as well to remember that the above club defeated them in the Gardiner Cup by 2 points to nil.

Yours, etc.,

R. MCKINNEY,

Hon. Sec.
